## LOVEworks Sculpture Unveiling Ceremony

My "baby" will be here soon! Last December, I mentioned at a meeting of the **Colonial Beach Foundation** that our town should have its own L.O.V.E sign like many other cities and towns in Virginia do. The group was enthusiastic about the idea and began working on bringing it to fruition with the Town, the Artist Guild and Virginia.org!

The unveiling ceremony of the LOVEworks Sculpture in Colonial Beach is scheduled for Friday, September 4th at 2:00pm at the corner of Hawthorn Street and Beach Terrace, near the entrance to the Municipal Pier.

See you there! Come say hello!
